Each car is equipped with a tripmeter and an 'event pack' – see below. On a **HERO** event, the hirer will have the reassurance of knowing that the **HERO** on-event mechanics will be on hand to give assistance. Vehicles are available for events throughout the UK and Europe. (at the moment we are unable to offer cars for stage events).

All our vehicles are also available for corporate hire for tours and corporate days.

HERO Premier Club members receive a 20% discount on the above prices.

HERO Arrive & Drive is just that - the vehicle is prepared, cleaned and equipped with an 'event pack'. Prior to taking control of the vehicle we show you all the controls and go through the vehicle with you.
